

Business Sponsorship Packages

A Night of Comedy and Enlightenment

Show your support for the Grants Pass Center for Spiritual Living and be a part of a fun and thought provoking evening. Your business can get positive exposure and all the benefits of laughter as part of this “out-of-this-world” event.

Every sponsorship includes complimentary tickets for you to use as you like; use them for yourself and friends, give them to your best customers, give them away in a raffle—any way you want.

Up to 50% of the contribution can be “in-kind” donation of services or items that could be used for the event. Examples of in-kind items: a night’s lodging Friday night for the performers, hot coffee and/or baked goods to be provided at the event, advertising space at a media outlet, etc.
